### Carpentry Shop

2.1 - 2.16

- Introduction
- Timber
- Wood joints carpentry tools
- Ply wood varieties
- Model record sheet
- Objective question
- *Exercises*

## CHAPTER 3

### Electrical Wiring Shop

3.1 - 3.16

- Introduction
- Wires and wire sizes
- Wiring methods
- Common house wiring methods
- Table of symbols
- House hold electrical appliances
- Safe practices
- *Exercises*

**CHAPTER 4****Sheet Metal Shop****4.1 - 4.16**

- Introduction
- Hand tools
- Sheet metal joints
- Revetting
- Soldering
- Brazing
- Sheet metal layouts
- Model record sheet
- Models for practice
- *Exercises*

**CHAPTER 5****Welding Shop****5.1 - 5.16**

- Introduction
- Arc welding joints
- Preparation of work
- Effect of current and speed
- Welding positions
- Gas welding techniques
- Types of flames
- Safe welding practices
- Model record sheet
- *Exercises*

**CHAPTER 6****Blacksmithy Shop****6.1 - 6.8**

- Introduction
- Tools
- Forging operations
- Safe practices
- Model record sheet
- Models for practice
- *Exercises*

**CHAPTER 7****Foundry Shop** **7.1 - 7.8**

- Introduction
- Moulding sand
- Types of patterns
- Tools
- Preparation of moulds
- *Exercises*

**CHAPTER 8****Machine Shop** **8.1 - 8.16**

- Introduction
- Lathe parts
- Cutting parameters
- Tool materials
- Tool geometry
- Lathe Operations

**CHAPTER 9****Plumbing** **9.1 - 9.8**

- Introduction
- G.I. Pipe fittings
- PVC pipes
- Fittings and Properties
- Applications Joining
- Technical data

**CHAPTER 10****IT Workshop** **10.1 - 10.27**

- Introduction
- Origin of Computers
- Capabilities of Computers
- Types of Computers
- Parts of Computers
- CD/DVD ROM Drive
- Assembling various Components

**CHAPTER 11****Power Tools** **11.1 - 11.8****Annexures** **A.1 - A.8**
