

## Contents

### PART I

#### PHARMACOEPIDEMIOLOGY

##### Chapter - 1

Background and Introduction of Pharmacoepidemiology .....	3
---	---

##### Chapter - 2

Genesis and Development of Pharmacoepidemiology.....	12
--	----

##### Chapter - 3

Need and Applications of Pharmacoepidemiology .....	22
---	----

##### Chapter - 4

Pharmacoepidemiology in Pharmacy Practice .....	33
---	----

##### Chapter - 5

Relevance of Pharmacoepidemiology in India .....	38
--	----

##### Chapter - 6

Data Sources and Data Collection for Pharmacoepidemiological Studies .....	45
---	----

##### Chapter - 7

Study Design in Pharmacoepidemiology .....	66
--	----

##### Chapter - 8

Methods for Pharmacoepidemiologic Studies .....	84
---	----

Chapter - 9	
<b>Systems to Study Drug Effects and Measurement of Outcomes in Pharmacoepidemiology .....</b>	<b>103</b>
Chapter - 10	
<b>Areas in Pharmacoepidemiology Research .....</b>	<b>118</b>
Chapter - 11	
<b>Evidence based Medicine and Concepts of Risks in Pharmacoepidemiology .....</b>	<b>126</b>
Chapter - 12	
<b>Sample Size and Causation in Pharmacoepidemiology .....</b>	<b>140</b>
Chapter - 13	
<b>Case Studies in Pharmacoepidemiology.....</b>	<b>151</b>
Chapter - 14	
<b>Practical Pharmacoepidemiology Review for Researchers .....</b>	<b>158</b>
Chapter - 15	
<b>References used in the Pharmacoepidemiology Chapters .....</b>	<b>168</b>

## PART II

### PHARMACOECONOMICS

Chapter - 16	
<b>Introduction to Pharmacoconomics .....</b>	<b>173</b>
Chapter - 17	
<b>Cost Analysis and Cost Measurements .....</b>	<b>192</b>
Chapter - 18	
<b>Outcomes and Perspectives in Pharmacoconomics .....</b>	<b>210</b>

## Chapter - 19

<b>Pharmacoconomic Methods .....</b>	<b>218</b>
--------------------------------------	------------

## Chapter - 20

<b>Cost Benefit Analysis .....</b>	<b>223</b>
------------------------------------	------------

## Chapter - 21

<b>Cost Effectiveness Analysis - CEA .....</b>	<b>240</b>
--	------------

## Chapter - 22

<b>Cost Utility Analysis - CUA .....</b>	<b>253</b>
--	------------

## Chapter - 23

<b>Cost Minimization Analysis - CMA .....</b>	<b>264</b>
---	------------

## Chapter - 24

<b>Cost of Illness - COI .....</b>	<b>268</b>
------------------------------------	------------

## Chapter - 25

<b>Quality of Life and Health Related Quality of Life (QOL &amp; HRQOL) .....</b>	<b>278</b>
---	------------

## Chapter - 26

<b>Construction and Applications of Pharmacoeconomic Studies .....</b>	<b>288</b>
--	------------

## Chapter - 27

<b>Case Studies in Pharmacoconomics .....</b>	<b>301</b>
---	------------

## Chapter - 28

<b>References used in Pharmacoeconomic Chapters.....</b>	<b>308</b>
--	------------

<b>Index .....</b>	<b>313</b>
--------------------	------------
